

SPIRITUAL WELL-BEING Committee

Mission Statement: To design and promote program opportunities that enhance total personal wellness through spirituality experiences based in the Franciscan tradition. We do this with the Sylvania Franciscan Village and for the broader community.

Objectives:

1. To provide an understanding of how spirituality is related to the fullness and wellness of life.
2. To nurture ourselves in the importance of spirituality as a means of wellness.
3. To design programs that attracts varied audiences particularly through luncheon series.
4. To research competent, available presenters/facilitators for our programs.
